Tournament Rules - SCOTCH DOUBLES MIXED CHAMPIONSHIP

- 1 **ELIGIBILITY:** Entries are open to all USBC Members.
- 2 **TYPE:** This handicap tournament will consist of a Two-player Mixed Team (1 male, 1 female). Six consecutive games shall be bowled on your starting lanes. Total pins plus handicap shall decide the winner. In case of a tie, co-champions will be declared and prizes will be combined and split equally between all tied bowlers.
- 3 **FORMAT:** Scotch doubles format consists of the female bowler rolling the first ball of the first frame. If she rolls a strike, the male bowler will roll the first ball of the second frame. If she does not roll a strike on the first ball of the first frame, the male bowler will roll the second ball of the first frame. The female bowler will then roll the first ball of the second frame, with the male bowler rolling at the spare if she does not strike, or he will bowl the first ball of the third frame if she does strike. This rotation continues for the rest of the game. Game two has the male bowler rolling the first ball of the first frame and the rotation will continue as stated above. The female bowler will start games one, three and five and the male bowler will start games two, four and six.
- 4 **OPTIONAL EVENTS:** Teams may enter the optional scratch event. The cost is \$10 per team and can be paid at check-in.
- 5 **Average Reporting Requirements:** Averages used will be determined in the following manner
A> Highest average from the previous season, 2021-2022. Summer and Winter averages of 21 or more games in a USBC certified league and does not include sport or composite averages.
B> If no average from the previous season as stated, then a current league average with 21 or more games in a USBC certified league and does not include sport or composite averages.
C> Bowlers who do not meet any of the above requirements will be entered with a 220 average.
D> Rule 319a, 319b and 319c apply. Rule 319d, 319e and 319f will not apply. If, at the time of bowling, entrant has a current league average of at least 21 games that is 10 pins or more higher, than the then the current average must be used. Better know as the 10-pin rule and it is in affect.
- 6 **HANDICAP:** The handicap will be 90% of the difference between the teams' average and 440. A bowler's average will cap at 220, no matter what the bowlers average is.
- 7 **MULTIPLE ENTRIES:** Bowlers may participate multiple times with the same or different partner, however a bowler may cash only once in the top five (5) with the same partner.
